Subject: Letter of Recommendation

Date: December 12, 2007

Dear Sir:

I would like to recommend Marc Bonomini for the US Army Warrant Officer Aviation Career program to become a US Army Warrant Officer and Helicopter pilot.

I have spent time with Marc and know his family well, he has the determination; morale courage; physical and mental ability; and above all the motivation to become an outstanding US Army Pilot. I feel very strong about recommending Marc Bonomini for the Warrant Officer Aviation OCS program, he is truly an exception to most young men I talk to about joining the military.

I feel I qualify to recommend a person like Marc to the US Army Warrant Officer School, I am a retired US Army Warrant Officer with 29 years and 11 Months as a US Army pilot. I completed two tours in Vietnam, as a helicopter pilot; 25 years as an instructor pilot, most of which was teaching future US Army pilots at Ft. Wolters, and Ft. Rucker; also I instructed at the US Army Aviation Center as a Dept. of the Army Civilian instructor and examiner pilot for 15 years. In fact, both of my careers were turning young men, like Marc, into US Army Helicopters pilots and I have instructed in each and every phase of US Army Aviation school Ft. Rucker, Al.

I feel it is a privilege to know and recommend a fine young man like, Marc Bonomini, to the US Army Warrant Officer and Aviation career program.

Sincerely

CW4/DAC Dennis L. Peterson (ret)
